Citaat uit [Hymn to Haia for Rim-Sim](#) [1] (regeringsperiode:1822-1763 v.Chr),

Lord, perfect in august wisdom and recognised for his mighty counsel, Haia, who holds the great tablets, who enriches wisdom with wisdom! Accountant of Hal-an-kug, having the final overview of the arts of Nisaba's house of wisdom; palace archivist of heaven and earth, who keeps count of every single assignment, who holds a holy reed-stylus and covers the great tablets of destiny with writing! Wise one, who prompts holy An with words and attention at the appropriate times; seal-holder of Father Enlil! He who brings forth the holy objects from the treasure-house of E-kur; ornament of the *abzu* shrine, wearing his hair loose for lord Nudimmud!
