Taal	EN
ISBN Nummer	978-9942-8548-3-4
RefMan	10381
Samenvatting	The glossariumBITri, planned as a central activity for the interdisciplinary study of information, developed by BITrum group in cooperation with the University of Santa Elena (Ecuador), essentially aims at serving as a tool for the clarification of concepts, theories and problems concerning information. Intending to embrace the most relevant points of view with respect to information, it is interdisciplinarily developed by a board of experts coming from a wide variety of scientific fields. The glossariumBITri kindly invites the scientific community to make contributions of any kind aimed at clarifying in the field of information studies.
